

Tuition Insurance Application 2008-2009

When a student is enrolled at Prince of Peace Christian School, a commitment is made to the school. The school then makes its own commitments to programs for the education of its students. Because of those commitments, the non-refundable fees and tuition policy was put in place.

As stated in the Admissions Policy, "Registration/Enrollment Fees are non-refundable unless the family is not being granted enrollment due to a waiting list or other school-determined reason. **Tuition, Registration Fees, and Enrollment Fees are non-refundable.**"

We realize that this policy may cause a hardship to a family who must withdraw their children due to unforeseen circumstances, such as an unexpected move, job loss, or other reasons. To help safeguard against the loss of tuition that has been paid, POPCS is offering Tuition Insurance. Tuition Insurance will cover unused tuition that has been prepaid. It does not cover registration and enrollment fees.

The cost of the insurance will be 10% of the total tuition expense for your child(ren). This fee is payable directly to the school at the time of application. Tuition Insurance must be purchased at time of enrollment.

_____ Yes, I would like to apply for Tuition Insurance for the 2008-09 school year.
