Family Underwriting Opportunities

Each year, we ask families and friends of POPCS to help with the cost of putting on an event as grand as our Annual Gala. The cost of the event continually increases, as the prices of food, venue, decorations, a/v needs, invitations and postage, the auctioneer, and entertainment continue to rise. Below are the benefits of underwriting. Please consider helping the Auction and POPCS! All donations are tax deductible!

Underwriting can be paid through the online reservation system!
