LIVE AUCTION

The Auction Committee has been busy gathering some amazing items for the Live Auction! Here's a sneak peek at some of the items we'll have available for bidding.

Stunning 14kt White Gold Cross Diamond Pendant

The pendant consists of 1.45 carats total weight in G to H color and SI1/SI2 clarity quality diamonds. The cross is on a 14kt 18 inch white gold chain.

This item was generously donated by Leland's Gold & Diamonds. Leland's Gold & Diamonds is a wholesaler of precious gems and diamonds. As one of Dallas' leading manufacturers of fine jewelry, they combine expertise and talent to create jewelry at TRUE WHOLESALE PRICES.

This is the second year that Leland's has donated a beautiful piece of jewelry to the POPCS Auction! We thank them for their generosity and support!

Please visit Leland's at www.lelandsjewelry.com or call 972-490-5626 for more information.

Adorable Bichon Shih-tzu Puppy

The Bichon Shih Tzu mix is one of the most popular mixed breeds available today. Its small size makes it ideal for city dwellers, and its tendency not to shed means it is the perfect pet for allergy and asthma sufferers. They are very playful, affectionate, and gentle mannered, naturally sociable and love to be a part of a busy family. These little pups are very sociable with other pets and very obedient with children.

What a cute little Teddy Bear!

Get Away to the Mountains of North Carolina

Spend a week in a beautiful home in the Blue Ridge Mountains near Brevard, NC. The house is located on a five-acre lot on the top of Slick Rock Mountain. Guests have access to a small lake with sections roped off for swimming, fishing and canoeing. There are hiking trails and several caves on the property. There are several nice public golf courses close by as well. This area of Western NC is known for having more than 250 waterfalls, many of which are visible from the road or by short hike. One highlight is Sliding Rock, which is a natural water slide with a gentle slope that is about 60 feet long, ending in a large, deep pool at the bottom. Flat Rock, which is 20 miles away, offers many summer activities such as outdoor theater, music, festivals, etc.

The house can accommodate a large family or group of friends. The house is not available Memorial Day weekend or the month of July.

Underwriting Opportunities

Each year, we ask families and friends of POPCS to help with the cost of putting on an event as grand as our Annual Auction. We do our best to keep ticket prices low, while our costs continue to rise. Please consider helping the Auction and POPCS! All donations are tax deductible.
