### **GOOD NEWS!**

We come to you with a message of hope and encouragement during a time of uncertainty, unknowns and isolation: God is in control!

*The LORD is my light and my salvation— whom shall I fear? The LORD is the stronghold of my life— of whom shall I be afraid? Psalm 27:1*

Join us in praying that COVID-19 will come to an end without additional advancement.

### **POPLC CLOSED UNTIL MARCH 21. WORSHIP MOVED ONLINE.**

It is our desire to protect those most vulnerable to the coronavirus. **As such, worship services for Sunday, March 15 and Wednesday, March 18 have been moved online via YouTube. All other POPLC activities, classes and events are cancelled through March 21.**

This decision is not based on any presumptive or confirmed positive COVID-19 cases in our POPLC community but based on recommendations from federal, state and local health authorities. The Lord calls us to honor such decisions in Romans 13:1: *Let everyone be subject to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God.*

Our campus is undergoing a deep cleaning. Only personnel critical to this process are permitted on campus. **You and your family are asked to stay home, practice preventive measures and LOVE EACH OTHER!**

We will continue to monitor the coronavirus situation. Stay informed about POPLC campus activity at [www.princeofpeace.org/updates](http://www.princeofpeace.org/updates).

### **WORSHIP WITH US ONLINE**

Join us for worship via YouTube on Sunday, March 15 at 11:00am and on Wednesday, March 18 at 7:00pm. Go [HERE](#) at the designated times to view.

### **MINISTRY CONTINUES**

As the virus spreads and intensifies, so should the love we have for each other through the love of Jesus Christ. Satan is the creator of fear. It is his playground for dividing God's people and creating chaos.

*"Get behind me, Satan!" he said. "You do not have in mind the concerns of God, but merely human concerns."*  
Mark 8:33b

During this time of isolation and social distancing, the need for connection, reassurance and peace are even greater. This is an excellent opportunity to reach out to each other through phone calls, Facetime, social media, etc. God created us to love Him by loving and serving each other.

We love each of you dearly,

POPLC Staff
